## Service Center For Veterans Opened At Rockdale By Thompson

"I have just finished serving the veterans and citizens of Milam County, as Veterans Service Officer for the past twenty eight months. I was not replaced for any lack of qualifications or failure to render service, but was replaced for political reasons only.

"During my period of service as your Veterans County Service Officer, I have tried to give a fair and impartial service to all who applied, regardless of creed or color. I have worked nights, Holidays and Sundays when any one was in need of emergency service.

"I hold no malice toward any one, however I have served the veterans of this County for some ten or twelve years prior to my tenure of office as Veterans Service Officer of Milam County. I did this without pay, furnishing my own transportation and expenses. If I could do this prior to this tenure of office I can still do the same thing.

"In view of the above I have established a Veterans Service Center in the City of Rockdale at room 202 City Hall. This service is free to any one who may call at this office. The office will be open to the public from 8:00 a. m. to 5:00 p. m. six days per week. I can be reached at American Legion Hall in Rockdale after working hours or Sundays. To date the results from the new office is very gratifying. I have served some twenty-five out of town veterans, six from Milam, ten from Thorndale and eight from Cameron. I invite anyone who has any kind of claim against the Veterans Administration to call at my office and I will render service to them regardless of creed, color or address.

JESS THOMPSON, Director.

## MARCH DIMES BRINGS IN TOTAL OF \$575.14

Final reports on the 1947 March of dimes as released by the County Campaign director are as follows:

Buckholts	\$22.52
Cameron	\$98.55
Gause	\$35.10
Milano	\$26.05
Rockdale	\$272.80
San Gabriel	\$23.50
Thorndale	\$96.62

An excellent job on this campaign was done by the Matson Theatres, The Dixie at Rockdale accounting for \$152.56 and the Rio at Thorndale collecting \$53.80.

Only one Birthday Ball was held in the County, at the National Hall at Cameron which netted \$29.00.

The colored school at Milano with only 104 students averaged more than a dime each with a total of \$10.72 for this school.

After deducting the expenses of the campaign, 50 per cent of the proceeds of \$276.57 was deposited in the County fund for use if necessary in case of a Polio strike in the County and the remaining 50 per cent remitted to the National Foundation for financing the continuation of their never ceasing fight against the great "Crippler of Children".

The County and Local Directors are grateful to the people of Milam County who always respond to any worthy cause.

## DECLINE REGISTERED IN NEW CONSTRUCTION HERE

Building permits issued in February by the city of Cameron totaled \$10,475 for new construction it was disclosed at the office of W. H. Stafford, Tax Collector, Tuesday.

The largest permit of the month was issued to Jack Cammer who is constructing a building at 208 West First Street between the offices of the Lone Star Gas Company and the Stewart Grocery.

This new building is for Cammer's Tailor Shop, the oldest cleaning and pressing establishment in the city. Mr. Cammer is building a fireproof structure from concrete or cement tile.

The figures for February are somewhat lower than the total for January but the progress of the city kept above the zero mark. The snail pace is due to lack of materials.

Mrs. John Dohnalik shopped in Cameron Friday.

## Ercel E. Odom, Combat Infantryman With The 36th Division, Now Owns 256 Acre Farm; Due To Government Interest In Fighting Veterans

For a long time, Ercel E. Odom of the Ad Hall Community was a Combat Infantryman with the Texas 36th Division, which required of him many things which a peace loving American did not particularly like to do, but now he is doing something he wants to do above everything else. That is to own a farm of his own and to watch after his cattle.

Last week Mr. Odom purchased a 256 acre farm in the Ad Hall Community with a Farmers' Home Administration loan and thereby became owner of a part of the land for which he fought. He is happy about the whole thing since he not only has the farm but also the assistance of County FHA workers to help him with current Agricultural problems which he may have missed while in the Services. And too, he is a married man of only two weeks. Mrs. Odom is the

former Edith Powell of the Ad Hall Community.

Mr. Odom is a native of Milam County and has worked on a farm in the County for most all of his life. He served with the 143rd Infantry of the 36th Division and was over-seas over two years, taking part in the Naples-Foggia, Rome-Anzio, Southern France and Rhineland battles. He was awarded the Purple Heart, European African Middle Eastern Service Medal, American Defense Medal and Good Conduct Medal.

Roy M. Wright, County FHA Supervisor, said, that these loans are made to eligible veterans and non-veterans but all things being equal, veterans have preference. He also said that these loans are made on a 40 year repayment schedule but may be fully repaid at any time after 5 years.

## BUSINESS CLASS NOW OPENING FOR THE GI

A new development in the rapidly expanding educational opportunities for the GI is the class in Distributive Education now being organized here.

The instruction embraces Salesmanship, Book Keeping and other business subjects. Organized primarily for the GI the school is open to others as well.

Chas. M. Hicks, county superintendent, said the class is limited to the first 25 approved applicants. It is a co-operative program with twelve and a half hours of instruction per week and 18 hours per week on the job.

J. P. Brookshire is the new instructor and he is now in Cameron to supervise the establishment of the school. He is a well known educator and has had a number of years experience in teaching.

The courses are being offered by the Milam County Vocational School and is supervised by the State Board of Vocational Education, State Department of Education.

It is approved by the Veterans Administration also.

All former service men who are interested are requested to see Mr. Brookshire, the instructor of Mrs. Josephine Leonard, secretary, at the office of the County Superintendent.

## New Farm Tractor Is Displayed By Green Motor Company Here

What is new and far advanced in farm tractors is being shown this week for the first time at the Green Motor Company.

The big new Massey-Harris 44 Tractor is now on display at the Green Motor Company at the corner of Howell and Seventh Streets.

Mr. Green said that this new farm power unit is one among a series of such utilities to be shown in the Massey-Harris line. A feature of the new Massey-Harris Tractor is its power and is operated at a new low cost for such equipment, he said. It is a full three plow model, plowing, discing, planting, harvesting or for heavy belt jobs. "The new 44 takes them in stride," said Mr. Green, "delivers steady, economical power for all your 3 plow work."

The new tractor has a 5 speed transmission, the right speed for every field operation, says Mr. Green.

## SCHOOL BOARD REJECTS HEARNE CAMP BUILDINGS

The Cameron School Board has rejected the tender of 10 buildings from the Hearne prison camp, it was learned through unofficial sources.

The board had made application for these buildings to be used mainly for the negro schools, to build a gymnasium, etc., but the cost of moving and re-erecting them was too high, according to information.

At the present price of materials the buildings were obtained at a give away price of \$744. According to the Dallas office of the War Assets Administration the value of the buildings is substantially \$75,000.

There was no indication from the Cameron School Board why the buildings were rejected.

## SOUTHWESTERN LIFE CO. REGISTERED BIG GAIN

While the largest gains in the history of legal reserve life insurance were being made nationally last year, Southwestern Life Insurance Company recorded a growth of \$67,345,654 in insurance in force—more than twice the business gain attained during 1945. C. F. O'Donnell of Dallas, president, made the figures known in releasing the Company's 44th annual financial statement to policyowners.

Southwestern Life Insurance Company, he reported, now has a total of \$580,047,004 insurance in force. Assets increased \$14,679,067 during 1946, to a total of \$137,037,582.

During the past decade, 1936-1946, the total gain in insurance in force for all legal reserve life companies in the United States was 66 per cent, according to composite statistics compiled by the Institute of Life Insurance. The comparable gain for Southwestern Life during the same period was 99 per cent. The composite gain in assets for the decade was 95 per cent. That of Southwestern Life was 173 per cent.

More than 190,000 Texas citizens are numbered among the Company's policyowners. At the close of 1903, the first year of the Company's operations, there were 1200 policyowners.

Another item of interest noted in the report is the modern, fire-proof, four-story annex to the home office building in Dallas, now under construction. The annex is designed to house expanding departments of the Company.

Southwestern Life Insurance Company is represented here by S. E. Brogdon.

## Mrs. Henry Johns Is Employed At County Treasurer's Office

Mrs. Henry Johns has accepted the place of clerk in the office of County Treasurer, John W. Hairston.

Mrs. Johns began her duties there on Monday, February 24. She had been employed for some time at the Dusek Pharmacy and at one time held a responsible place with government on the price and rationing board.

Mrs. Johns succeeds Mrs. John House in the duties at the office of Mr. Hairston.

Mr. and Mrs. E. M. Cook of Austin will spend the week end in Cameron at their home.

### TO GET DEGREE FROM OLD BAYLOR THURSDAY

President Truman will arrive in Waco around 10 a. m. Thursday March 6 to deliver a major address and to accept a degree from Old Baylor University.

The President will be in Central Texas on his way to the capital from Mexico City where he has been the guest of President Miguel Aleman for three days.

Mr. Truman is the third American President to visit in Waco. The other two were the late President William H. Taft and Calvin Coolidge.

Many from Cameron were planning to drive to Waco for a look at the Chief Executive and to hear his address from Georgia Burleson Hall at Baylor as guest of President Pat M. Neff.

Shortly after his address the President will leave Waco by plane for Washington.

### President McKinley Stopped In Cameron In 1898; Picture Made

President William McKinley stopped in Cameron in 1898 on his way back to Washington from a tour of Texas.

An old photograph, the property of Miss Winnie Henderson, on display here during the Centennial Celebration in May 1946, shows the President's special train at the Santa Fe Station here.

Old timers here say the President came to the platform to greet the people but made no speech. He is shown standing on the rear steps of his car. Quite a crowd for that day was on hand to see the President.

President McKinley had delivered an address in Houston and was on his way back to Washington.

### Murder Case Jury

Here are the men who will try George Andrews of Rockdale for murder in connection with the slaying of his cousin, Ernest Andrews: F. L. Gregory, Cameron. Frank Tomek, Elm Ridge. Guy Chandler, Cameron. Philip Reimer, Elm Ridge. W. H. Lucas, Cameron. Will Lake, Curry.

J. Y. Logan, Cameron. George Newton, Cameron. Jess Barrett, Cameron. E. E. Geer, Cameron. Theo Tucker, Jones Prairie. M. C. Adams, Friendship.

### How The Jury Stood

Six for conviction and six for acquittal.

That is how the jury in the George Andrews case finally ended its deliberations in a hopeless deadlock.

At one time the count stood 7 to 5 for conviction.

### Riley Appliance Co. Gets Philco and New Crosley Products

Good news for home owners is contained in the current advertisement of the Riley Appliance Company.

The appliance store has just received a new Philco and a new Crosley refrigerators and Mr. Riley adds that "production increases now permit us to anticipate deliveries in March."

These new refrigerator units, first of the post war units of the Philco and Crosley to reach Cameron, are now on display at the Riley Appliance Company. They are ultra modern and combine all the features which have been projected into post war planning for household utilities of this kind.

Mrs. Wallace Moody of Minerva visited in Cameron on Thursday.

### THREE BUYERS BID IN GOVERNMENT TRUCKS

GRAND PRAIRIE—Three automotive dealers from the Cameron area were among the successful bidders on surplus trucks at a sale of automotive equipment held by the War Assets Administration at the "B" plant of North American Aviation Co., Grand Prairie, recently.

More than 800 surplus trucks were sold to high bidders at the sale. The trucks, which originally cost the government \$1,500,000, went to approximately 300 veterans of World War II and to automotive dealers from various sections of the midwest and south. All the vehicles were used and located at the Red River arsenal, Texarkana.

Wilder K. Garham of Cameron bought trucks in the amount of \$6,566.51; H. H. Coffield, Rockdale, bought \$18,731 worth of the vehicles, and A. N. Graham of Milano acquired \$9,440.50 worth.

### RED CROSS MEMBERSHIP DRIVE STARTS MARCH 3

The 1947 Red Cross membership campaign will get under way in Milam county on Monday, March 3.

Rudolph Richter of Cameron has been named Roll Call Director this year.

The quota for 1947 in Milam county is \$6000.00 slightly less than the 1946 quota which was \$6,590.00.

In the main all previous community chairmen have been renamed. Mr. Richter submits the 1946 list as follows:

Ad Hall, Hugh Powell, Baileyville, R. W. Ellison, Belmena, Mrs. L. C. Angell, Ben Arnold, Mrs. Frank Sherrill, Branchville, Roy Yates, Briary, Mrs. Horace Bozeman, Buckholts, Floyd Stark, Burlington, Mrs. Bartle Crenan, Cameron, Mrs. J. E. ### MILANO SCHOOLS GET 4 ARMY CAMP BUILDINGS

Dallas (Special), Feb. 28—Milano public schools have been awarded four buildings out of the Hearne prisoner of war camp for a net consideration of \$1,100, it was announced out of the office of real property disposals of the Dallas regional office of War Assets Administration. Two cafeterias, one mess hall and one latrine was sold to the Milano school board, said C. N. Townsend, Jr., chief of the institutional branch of the Dallas WAA office.

Liberal discounts were allowed Milano school officials in consideration of the buildings being used for educational purposes.

### SPRING IS AROUND THE CORNER SO THEY SAY

Temperatures were due to be in the 70's Wednesday and maybe a portion of the day Thursday but were due to fall by Thursday night.

There was a possibility the weather would get colder by Wednesday night because of a new cold front pushing in from Montana. It was not due to be extremely cold but may fool the prognosticators like the Saturday norther that sent the mercury down to 27 degrees.

Hope was held out that the weather might be good for the visit of President Truman to Waco and central Texas Thursday. It was almost certain to be cold but not unpleasant, still there was some rain in the picture.

Rain was due for east Texas and the Cameron area but nothing like a drenching downpour.

### KITE FLYING DANGERS ARE POINTED OUT HERE

With the coming of March winds, youngsters are beginning to answer the call of kite-flying season.

"Kite-flying is lots of fun, but it is important for kite-flyers to observe the rules of safety," said H. M. Siebman, district manager of Texas Power & Light Company.

Chief among these is to fly kites in open spaces where there are no electric power lines or other obstacles.

Another precaution is to use no metal or wire in kite or kite string, since metal is a conductor of electricity.

Flying kites in the rain is also considered hazardous, since a wet kite string is also a conductor of electricity.

As a fourth precaution, it is urged that kite-flyers not attempt to disentangle any kite that should fall in an electric line, but call the electric service company, which will send a trained man out to remove the kite.

### FUNERAL SERVICES FOR J. DOW EPLEN HELD

Funeral services for J. Dow Eplen 62, widely known citizen and Cameron business man, were held at 3 p. m. Saturday, March 1 from the First Christian Church.

Rev. Roy D. Holt, minister, conducted the services with the Marek-Burns Funeral Home directing. Interment was made in Oak Hill Cemetery.

Pall bearers were: Dr. E. R. Zellner, Roy Baskin, M. G. Cox, Lester Williams, H. H. Stedman, Ray Burke, Bill Harsha and Charlie Holland.

Mr. Eplen died from a heart attack at his home here at 7 a. m. Friday, February 28. He was a native of Milam county and had lived in Cameron since 1887.

At the time of his death he was owner and operator of the Eplen Furniture Company. Surviving are his widow and one son, Morris Eplen.

### Cameron Postoffice Is Rounding Out Its Century of Service

The Cameron postoffice is 100 years old.

J. R. Hays, who has served as postmaster longer than any man in the history of the office, talked about the office and the postal system here at Rotary Club Wednesday.

Only two former postmasters are living. They are Mrs. Crawford who was postmaster here over 40 years ago, and Lloyd Mitchell who lives in Houston.

In the 100 years there have been some 30 postmasters. The

## PUBLIC WELFARE SURVEY COMPLETED IN CAMERON

The Cameron local office of the State Department of Public Welfare has completed a desk review of all Old Age Assistance and Aid to the Needy Blind grants following action of the State Legislature in making more State money available for assistance. W. L. Woods, Field Worker, of the local office announced today.

Adjustments are being made on all cases where increases are justified. The increases will be in checks for the month of March.

Mr. Woods pointed out that a blanket increase on all claims will not be made but that the standard food chart figures have been revised upward in accordance with the percentage of advance in food prices since the time of the last cost survey some two years ago. The number of persons in a family depending on the aid benefits will also be taken into consideration, Mr. Woods said.

Raises will range from \$1 to \$3 per month. The local office by working overtime last week was able to make adjustments on all claims. It, therefore, will not be necessary for individual recipients to have to come to the office.

The additional appropriation will allow money for payment of full claims in the Aid to Dependent Children program. Heretofore, due to limited funds, allocations were made to allow as much per case as possible but rarely was there enough funds available to pay the full amount authorized, Mr. Woods said.

Approximately 190,000 aged and 5,100 needy blind will get increases amounting to \$500,000 or \$600,000 over the State as a result of elimination of the ceiling. The 30,000 dependent children will receive around \$200,000 per month.

## Will Lake, On Andrews Murder Case, Stricken Sunday; Doctor Called

Will Lake of Curry, member of the Jury trying George Andrews for the murder of his cousin, Earnest Andrews, in Rockdale on October 5, 1946, became ill Sunday and was attended by a physician.

There was no confirmation that Mr. Lake had suffered a slight heart attack.

When the jury was discharged Monday morning Mr. Lake was able to take his place in the jury box.

Mr. and Mrs. J. C. Stuewe and Betty Jean and Donie Rieke of Galveston visited their parents, Mr. and Mrs. Steve F. Polzer over the weekend.

Mrs. Maude Mullinix is ill at her home, but is improving.

## ANDREWS CASE RESET FOR TRIAL ON APRIL 7

The jury in the case of State of Texas vs. George Andrews, charged by indictment with murder in connection with the fatal shooting of his cousin, Earnest Andrews in Rockdale on October 5, 1946, was discharged at 9:40 by Judge John Watson in district court.

Judge Watson polled the jury members with the question whether they felt it was possible to reach a verdict. Each answered that there seemed no possibility of reaching a verdict. Each member of the jury asked to be discharged.

Judge Watson then discharged the jury and re-set the case for trial here on Monday, April 7.

County Attorney Bill Morrison asked the court to permit the jury to state how the division stood on whether guilty or innocent. The judge declined to ask the jury and a moment before Emory B. Camp, one of Andrews' attorneys, objected.

Officially it may never be known how the jury stood. Unofficially it may be ascertained as there is no law governing the disposition of any juror to state how the count was.

George Andrews, the defendant, was on a stretcher and nearby his wife. Seated some feet away was the son Newton Andrews, also under indictment for assault with intent to murder in connection with the affair. It was Newton Andrews who engaged in a fight with Earnest Andrews and from that difficulty the shooting resulted.

Andrews looked intently in the direction of the jury box as the 12 men filed in. No member of the family seemed anxious about what the jurors would report. Generally it was believed that they had not been able to reach a verdict. E. E. Geer of Cameron, was foreman. He told the court that no verdict had been reached and that it appeared impossible to reach a verdict. Judge Watson then polled each member of the jury.

County Attorney Bill Morrison asked Judge Watson to permit the jury foreman to state how the count stood—how many for conviction and how many for acquittal, but the judge declined.

Just before he made the docket entry Mr. Morrison asked for a re-setting of the case for Monday, April 7 and Judge Watson accordingly set the case down for re-trial at that time.

Leon Roy Orsag was honored on his tenth birthday with a George Washington birthday party, Saturday night February 22, at the home of his parents, Mr. and Mrs. Frank Orsag.

Mrs. Orsag and Mrs. Johnnie Jones served as co-hostesses for the merry occasion. Red, white and blue was used as the color scheme. The table was beautifully laid with a snow white linen cloth with red, white and blue ruffles. In the center was placed the white birthday cake with red, white and blue layers, and decorated with ten red candles holding U. S. flags.

Sandwiches, cakes, pies, hot chocolate and coffee were served to thirty-two guests.

## Extra Large Hen Eggs Brought In By H. Hefti

Milam county is famous for many things and not the least are its fine eggs and chickens.

This week Henry Hefti of Maysfield brought in two eggs from his flock, one of them, a two or three yolk affair that weighs about a half pound and measures some 7 inches around the long way.

This hen is producing a breakfast with one visit to the nest.

Milam county stands high among Texas counties in the production of eggs and at one time was third. The Hefti farm has an assortment of breeds, notably the barred rocks and

## From where I sit ... by Joe Marsh

### A Definition of Our Town

Somebody defined our town just the other day as "A place where the people talk about you behind your back, and come to wait on you when you're sick."

I've got to admit there's something to it. A lot of our folks are inclined to be pretty outspoken and quick to criticize . . . even about little things, like a woman's hat, or a man's preference for a glass of beer, or the color of Cy Hartman's new barn.

But when anyone's in trouble, those differences and points of

criticism are forgotten . . . and folks become neighborly and helpful, like they really are.

From where I sit, criticism never did much harm to anybody, so long as folks don't let it guide their actions . . . so long as they respect our individual preferences, whether they apply to hats or beer. That's the way it is in our town, anyway, and I hope that it's the same in yours.

## CONSTIPATION Risky in BAD COLDS

Retained undigested food becomes  
putrefactive, causes toxins, which  
overload the liver and other vital or-  
gans of the body, lessening your re-  
sistance to colds and other winter ills  
and interfering with their treatment.  
Why take this chance when you can  
take Calotabs? Calotabs thoroughly  
yet pleasantly act on every foot of  
your intestines, sweeping out toxin-  
laden putrefactive foods and virus-  
laden mucus, enabling you to more  
effectively avoid or fight a cold. Noth-  
ing acts like good old Calotabs. Use as  
directed. 10c and 25c at all druggists.

less potent than Creomulsion which  
goes right to the seat of the trouble to  
help loosen and expel germ laden  
phlegm and aid nature to soothe and  
heal raw, tender, inflamed bronchial  
mucous membranes.

Creomulsion blends beechwood creo-  
sote by special process with other time  
tested medicines for coughs. It contains  
no narcotics.

No matter how many medicines you  
have tried, tell your druggist to sell you  
a bottle of Creomulsion with the under-  
standing you must like the way it quick-  
ly allays the cough, permitting rest and  
sleep, or you are to have your money

### Red Skelton "The Show Off" Comes To Cameron Theatre Thurs

Throttling down his usual madcap antics to portray one of the most subtly humorous characterizations ever written into an American comedy, Red Skelton struts through "The Show-Off" in the title role, as the bragging, bungling and egotistic Aubrey Piper, to turn in the top performance of his career. The M-G-M picture opens Thursday on the Cameron screen.

For Skelton the role of the bombastic Aubrey is a "natural" in the motion picture version of the famous George Kelly stage play. It marks an auspicious return to the screen for the popular comedy star, following two years in the Army.

Paired with the red-haired comic, as Amy, the adoring and loyal wife of Aubrey Piper, is comely Marilyn Maxwell, also returning to films

after a sojourn on the New York stage.

Long-time screen favorites and young star prospects make up the hand picked supporting cast. They include Marjorie Main, Virginia O'Brien, Eddie "Roche" Anderson, Leon Ames, George Cleveland, Marshall Thompson and Jacqueline White.

Sharp-tongued Marjorie Main and Miss O'Brien, of deadpan song success, last scored together in "The Harvey Girls." In "The Show-Off" they add to the high hilarity touched off by Skelton. "Roche," last seen as the janitor in "The Sailor Takes a Wife," wins new laughs with his rendition of a ballad as Sinatra would sing it. Leon Ames, as the sympathetic brother-in-law of the bungling Aubrey, makes a complete about-face from his somewhat sinister role of the district attorney in "The Postman Always Rings Twice."

### ARGUMENT CLOSED AT 6:15 FRIDAY EVENING

The case of The State of Texas vs. George Andrews was in the hands of the jury at 6:15 Friday evening when Bill Morrison, county attorney closed the argument.

Mr. Morrison consumed about 45 minutes in his addresses to the jury, having opened and closed the case. Both E. A. Camp and Emory B. Camp, spoke. They did not put on any testimony in the case whereas the state had a wealth of facts bearing upon the murder of Earnest Andrews in Rockdale on October 5, 1946.

Exactly 12 days had elapsed since the case was called for trial on February 17.

George Andrews, charged by indictment with murder in connection with the fatal shooting of his cousin, Earnest Andrews, lay on a stretcher in the court room Thursday and Friday. He had fallen from his chair Wednesday morning and was taken to a hospital.

Mrs. Earnest Andrews and the 9 children of the family, were in the court room during the argument of the case.

A courtesy which sought to provide seats for Mrs. Andrews and her children, precipitated a mild scene in the court room when E. A. Camp, one of the defense lawyers removed a paper barrier away from a section of 10 seats where the widow and children of Earnest Andrews were invited to sit.

County Attorney Bill Morrison asked that the jury be withdrawn from the court room which the demonstration was in progress. Mr. Camp publicly invited anyone who wished to take these seats. No one would occupy them and the Andrews widow and children who were not in the court room at the time came in later and took the seats.

Defense counsel accused the County Attorney of trying to play upon the sympathy of the jury. Mr. Morrison was skeptical of any implied right to seat the family but later said he felt they should be present and all seated together. As the matter terminated the spectators in the court room saw to it that the widow and the children got the seats.

Deliberations of the jury is of course ultra secret and there was no way to tell how long they had deliberated. They got the case at 6:15. In such matters it is customary for the jury to retire, as instructed by the Judge, elect a foreman and consider their verdict.

The jury had an early breakfast and were taken back and locked in the jury room around 7 a. m. Saturday. Failure to reach a verdict after

### "Jolson Story" Lavish Technicolor Musical Is To Open Here March 9

Columbia Pictures' "The Jolson Story," with Larry Parks, Evelyn Keyes, William Demarest and Bill Goodwin, opens March 9 at the Cameron Theatre. Filmed in Technicolor, this is the long-awaited extravaganza based on the music, the magic and the times of America's greatest entertainer.

Proclaimed as a colorful and rhythmic panorama of American show business, the screenplay, written by Stephen Longstreet, carries through nearly forty years of Jolson's remarkable career. Dramatically revealed are the steps leading to his success. In New Orleans, he has become tired of the traditional routines of a minstrel show; the new-fangled "blues" music fascinates him, and deep inside he is developing a technique all his own to fully capture the rhythms of jazz. Audiences excite him—he wants to get ever closer to them, to make them feel what he feels in his blood. When he gets his first crack at Broadway, he is ready with his new-found style and creates a sensation.

"The Jolson Story" is largely told in music, as might be expected, for no other entertainer has had so many beloved melodies associated with him. We can expect to hear them all in the film, tunes like "Swanee," "You Made Me Love You," "April Showers," "By the Light of the Silvery Moon," etc.

Much praise has been heaped on

the broad young shoulders of Larry Parks for his spectacular performance in the title role. Virtually unknown when the film was born more than three years ago, he is being acclaimed today as a top-flight star. The way he has cloaked himself with Jolson's personality in the films is said to be uncanny.

Gorgeous Evelyn Keyes has the romantic lead opposite Parks, and enjoys the flattery of Technicolor once again, having recently appeared in "A Thousand and One Nights" and "Renegades." William Demarest and Bill Goodwin play associates of Jolson who aided him in reaching the

top, and should add much to the stature of the film.

## WIDELY KNOWN BUSINESS MAN SUCCEUMBS FRIDAY

J. Dow Eplen, 62, widely known citizen and Cameron business man, died suddenly from a heart attack at 7 a. m. Friday February 28 at his home here.

Mr. Eplen was seated at the breakfast table where he suffered the attack and died within a few moments. Funeral services will be held at 3 p. m. Saturday, March 1, from the

First Christian Church, with the pastor, Rev. Roy D. Holt, officiating. The Marek-Burns Funeral Home will direct arrangements.

Funeral arrangements were pending the arrival of his son, Morris Eplen who is a student at the Baylor University in Waco. The body was at the Marek-Burns Funeral Home here.

Mr. Eplen was born at Yarrellton on February 1, 1885 the son of the late pioneers, Mr. and Mrs. J. M. Eplen. The family moved to Cameron in 1887 when he was 2 years of age and he had made his home here since

that time, having been in business the major portion of his adult life.

At the time of his death Mr. Eplen was owner and operator of the Eplen Furniture Company. Some 30 years ago he was a partner with the late J. W. Coleman in the Cameron Furniture Company and when that firm was dissolved following the death of Mr. Coleman, he engaged in business under his own name and his store is located at 107 East Main Street.

Survivors are his widow, Mrs. Nella Thomas Eplen, the daughter of the late pioneers, Mr. and Mrs. Lane Thomas; one son, Morris Eplen, who is a veteran of the late war, and a Lieutenant in the Army Air Corps, a pilot, trained at the army field at Hondo and other points. One sister, Mrs. Frank Reid, the former Miss Grace Eplen, survives.

Mrs. Eplen, the surviving widow is the sister of Mrs. W. H. Stafford of this city, who is in Newton Memorial Hospital recovering from illness that necessitated an operation.

Mr. Eplen was a member of the First Christian Church in Cameron since early childhood and at the time of his death was an Elder and a Trustee in the church. He was a member of the Knights of Pythias and the Lions Club.

The body was due to be moved to the family residence at 515 East 23rd Street Friday afternoon.

Funeral services were to be held some time Saturday afternoon, March 1 from the First Christian Church, with interment in Oak Hill Cemetery. Honorary pall bearers were to be members of the Knights of Pythias, the Lions Club and the First Christian Church Elders.

## MRS. ELIZABETH NANCE IS BURIED AT LILAC

Funeral services for Mrs. Elizabeth Ann Nance, 72, were held at 3 p. m. Friday, February 28 at Lilac.

Mrs. Nance died early at 8 a. m. Thursday, February 27, at the home of her niece, Mrs. Jesse Applin in the Lilac community.

Mrs. Nance succumbed to a heart attack. She had apparently been in her usual health. The stroke occurred while she was dressing in the early morning. She had made her home with Mr. and Mrs. Applin for 23 years.

Surviving are one sister, Mrs. Matilda Bowen of Sharp and one brother Dave Nolan of Yoakum.

Rev. Oscar Morgan, pastor of Lilac Baptist church, conducted the funeral services with interment in the Lilac cemetery with the Green Funeral Home in Cameron directing arrangements.

## PERFECT SAFETY RECORD MADE BY GAS EMPLOYEES

Employees of Lone Star Gas Company's Cameron district have established a perfect safety record representing 144,995 hours of company operations during the past six years without a lost-time accident. J. R. Bush, district manager, has been advised by A. W. Breeland of Dallas, safety supervisor for the gas company.

The Cameron district is among the 56 Lone Star units credited with perfect safety records ranging from one through 18 years, as of December 31, for a grand total of 318 years, Mr. Breeland pointed out.

Safety trophies are awarded units for completing one year without an accident and to those with records in multiples of five years. The Cameron district will receive a framed certificate for operating 42,923 hours in 1946 without a lost-time accident, at the next regular safety meeting for employees. It will be signed by D. A. Huley, Lone Star president; Chester L. May, vice-president in charge of distribution, and L. B. Denning Jr., operating manager for the general division of distribution.

In 1946 the district was awarded a special certificate for a five-year perfect safety record.

"Our safety accomplishment is a result of Lone Star's constant program of training personnel in the importance of safety in their lives and in the lives of the men, women and children they serve in performing gas company operations," Mr. Bush said. "I congratulate each employee of the Cameron district for the part he played in making this safety record possible."
